

Course Title	<b>International Trip</b>			
Course Code	<b>MBA 900</b>			
Course Type	<b>COMPULSORY</b>			
Level	<b>MASTER</b>			
Year / Semester	<b>YEAR 2 / SEMESTER 6</b>			
Teacher's Name	<b>Marios Katsioloudes and other faculty members</b>			
ECTS	<b>6</b>	Lectures / week		Laboratories / week
Course Purpose and Objectives	<p>Expose the MBA students to different national cultures as well as different corporate cultures after visiting a number of public, private and semi-public organizations in the country of destination. Visits to universities will be also arranged so that the AUCY MBA students would attend classes together with the MBA students of host universities. In addition, museums and other sites of cultural and historical importance will be visited.</p> <p>A duration of one week will provide the MBA students with some knowledge and experience.</p>			
Learning Outcomes	<p>Upon the successful completion of the international trip, students will be able to:</p> <ul style="list-style-type: none"> <li>• Appreciate other cultures</li> <li>• Understand how international business transactions operate within different cultures</li> <li>• Appreciate and analyze how public, semi-public and private entities operate in other countries.</li> <li>• Experience other university educational systems</li> <li>• Develop an open-mind perspective of other countries.</li> <li>• Develop empathy and cultural sensitivity</li> </ul>			
Prerequisites	Last semester before graduation	Required		
Course Content	The International Trip itself with a very specific itinerary on what will take place on daily basis. A very structured and disciplined schedule indicating the importance of each place to be visited.			
Teaching Methodology	During the stay in the host country, workshops, seminars, presentations, etc. will be delivered by the host organizations. Furthermore, the faculty accompanying the students will organize daily meetings with the students to exchange ideas and impressions at the end of each day.			

	Students will be required to conduct some research on the country and the organizations that we will visit, prior to the visit.
Bibliography	Various documents will be given to the students on the country and the organizations that will be visited.
Assessment	A group written report and a presentation upon the return.
Language	ENGLISH
